Assignment 3

Evan Lee - Summer 2021 - Adv. Render

Credits

- TISSOT Courturier Watch made by Alex Cotterill-Drew (www.grabcad.com)
- Bifrost Fluids used to simulate water pushing away as the watch drops in
- Dark purple/blue velvet background to add contrast.

Light Sources: Simple Sky Dome with the watch facing up and camera facing straight down.

Render Software: 3,2,2,2,2 samples

Size: 2024 x 2024 px

Time: 10:22
